8th Mediterranean
Poultry Summit

SPLIT - CROATIA
27-30 September 2026

Prof. Dr. Nives Marušić Radovčić

Chairperson of the Conference

Conclusions

- 1. UK and US business leaders have achieved significant growth performance and their attitudes remain positive about the future of the UK.
- 2. The UK has given the highest business support (2.5/5) and the best (4.5/5) overall planning strategy, across all 10 sectors.
- 3. Business leaders in a competitive and efficient environment, particularly for smaller businesses, are looking for high growth in the UK.

Thank you. Questions are welcome.
